SUBJECT: NATIONAL CONVENTION SERVICES, LLC.

To Whom It May Concern:

I am writing to provide my vote of confidence for National Convention Services, LLC. I have a long and extensive relationship with this company and have always appreciated their commitment to superior quality and service. National Convention Services achieves consistent results by providing dedicated crew members that are familiar with the clients' displays. This approach yields fewer labor hours and minimizes errors.

I worked closely with National Convention Services during my years at Creative Productions and George P. Johnson Company, Inc. I was always pleased with their work and preferred to sub-contract them whenever possible. My experience as a display house client brought me close to the policies and procedures in place at National Convention Services. Understanding their commitment to cost control and budget management, I was eager to bring them on board when I assumed the role of Auto Shows Manager at Mitsubishi Motors North America, Inc. As the Auto Shows Manager for Mitsubishi, I am responsible for eighty-six North American auto shows annually, as well as meetings and special events. I rely on National's expertise and high service level to ensure my shows, events, and meetings are a success.

I hope this letter is helpful for your purposes and serves to reinforce the solid reputation that National Convention Services holds in the industry. Please feel free to contact me if you have additional questions or concerns.

Sincerely,

MITSUBISHI MOTORS NORTH AMERICA, INC.

Manager, Auto Shows
