To Whom It May Concern:

I was asked to write a letter of recommendation on behalf of National Convention Services and it is with great pleasure and ease that I do so. My working relationship with NCS has spanned 14 years and we have worked together in many different capacities.

NCS first worked for us as a labor contractor and we have grown together successfully each year expanding their role within Redken's events. NCS has handled everything from our exhibitor services to full Drayage, I & D and complete general contracting services. All of our experiences have exceeded our expectations of NCS. They have never shied away from our requests to assist in cost savings and have guided us through the experience of improving our comprehension in Exhibit Management.

Our partnership with NCS has directly resulted in tremendous cost savings over the years and I would highly recommend their services.

Respectfully,

Charlie Kennedy
