Dear Frank,

I would like to thank you and your team for all your hard work at our annual Food Show. It is a pleasure working with National Convention Services. Our exhibitors are extremely appreciative of having the same great service consistently. As our Food Show have grown in size you have made us look better each time.

Our exhibitors love the new look you bring to us at each of our shows. As always it is a relief when our exhibitors arrive and the freight is there ready to be setup.

As the show manager it is a large benefit to me and my staff not to worry that our exhibitors have any problems related to the booth setup. We have many great responses from all about your services, billing practices and the show site mangement. Your personnel is extremely polite and courteous.

I wanted to put in writing my many thanks for many a job well done. Please thank Vinny and all your people for all there help thru out the year. Looking forward to many more shows together.

Sincerely,

Michael Coyle  
Vice President Sales
